### **DETAILED NOTE ON THE PROJECT**

(Check List Serial Number – 03)

Ward No.1, Kandi & Dugiriuni area of Municipal Council Rampur is unconnected by road especially Ambulance Road. The people have to take uphill journey to reach their Ward. It is also very problematic for the ward to transport essential commodities to the ward in the absence of a road link especially in view of the rugged terrain and steep slopes. It is also the policy of the government to connect all Municipal Councils/Panchyats by road. Hence road connection to Ward No.1, Kandi & Dugiriuni ambulance road has been mooted by constructing a road from Rampur-Mashnoo-Sarahan-Jeori Road. The total length of the road is 2.340 Kms out of which 1.946 Kms of road will pass through the forest land and 0.394 Kms will pass through private land. This road is being constructed to provide motor link to the Ward No.1, Kandi & Dugiriuni. The road will cater to the needs of population of about 300 souls and will give a boost to the local economy as the road link will facilitate the transportation of agricultural and horticultural products like Almonds, Santroza and other cereal crops to the markets. Besides this, the motor road will be helpful for the patients in case of medical emergencies. For the construction of this road 00-63-78 ha. of forest land is required to be diverted for which this case under Forest Conservation Act, 1980 has been prepared.
