The map illustrates the Ganges River delta, a large triangular landform at the mouth of the Ganges River where it meets the Bay of Bengal. The river is shown flowing from the north and branching out into numerous distributaries as it approaches the sea. The Brahmaputra River is also visible, joining the Ganges from the north. The surrounding land is depicted in shades of green and yellow, while the water bodies are in blue. A legend on the right side of the map provides a key for the colors used: River (blue), Area of (green), Indian (yellow), Bay of (light blue), and others. The map is outlined in red.

State	Area (km ²)	Population (2001)
Andhra Pradesh	149,441	82,099,000
Assam	78,438	26,000,000
