

Compensatory Afforestation Scheme details

The land proposed for diversion in forest land is only 0.80 ha. As, per Rules sec.3.2. (Vii) (b) of Forest (Conservation) Act, 1980 no Compensatory Afforestation shall be insisted upon proposals involving diversion of forest land up to one hectare. However, the user agency has identified 0.80 ha. of Non- Forest land in Ajjavara village of Sullia Taluk for Compensatory Afforestation which is suitable for raising NTFP. As per the approval data sheet for the year 2017-18 the amount required for raising NTFP Plantation in 0.80 ha is ₹ 12,24,504/-
