Dt 14.9.2018

To resolve the query raised through EDS by Nodal Officer (FCA) Chhattisgarh, for Diversion of 137.014 Ha Forest land for Construction of 765 KV D/C Dharmjyagarh – Raigarh (Tamnar) Pool Transmission line in favor of Goa Transmission Projects Limited (GTTPL).

C. Maps of Forest Land proposed to be diverted

In the KML we have supplied the compartment boundary layer and the area of whole compartment is mis-interpreted as the corridor area or KML area.

Hence, KML's of Korba, Dharmjyagarh and Raigarh Forest division has been corrected and uploaded in the portal by showing the Khasra / Compartment boundary of Reserve, Protected & Revenue Forest area.

DGPS Survey report for three forest divisions with duly authenticated by DFO has been uploaded in the additional document.

NOC for Revenue Forest area from DC Raigarh has been uploaded.

Demand Drafts for Registration and Processing fees in favor of DFO Dharmjaigarh has been uploaded.

Based on the above justification, requesting you to kindly approve the Forest Diversion Proposal for the above said Project.
