#### SITE INSPECTION REPORT NOT BELOW THE RANK OF DCF

(For the Forest Land to be diverted under FCA)

A proposal has been received by this office from PMGSY Division Marwah for the diversion (under FCA-1980) of 5.9312 Ha. of forest for non forestry purpose. The subject envisages the use of forest land for Construction of road from Ikhalla Block Boundary Kishtwar to Lopara. The site inspection of the land involved in the proposal has been done by me on dated 12.12.2021.

On inspection of the site, it is found that the land required by the user agency is a forest measuring 5.9312 ha.

The requirement of forest land as proposed by the user agency in col. 2 of part-1 is unavoidable and is barest minimum required for the project.

Whether any rare / endangered / unique species of the flora and fauna found in the area. If so, the details thereof

YES

The detail of Wild Animals occasionally passing through the area are as under:

Leopard, Musk Deer, Monkeys, Jackals etc

Whether any protected archaeological / heritage site / defense establishment or any other important monument is located in the area. If so, the details thereof with NOC from the competent authority, if required

NO

The user agency has not violated the provision of forest (Conservation) Act 1980 and no work has been started without proper sanction

Yes

(Note: Whichever of the above is applicable should be shown bold letters).

Specific recommendation for acceptance or otherwise of the proposal.

The said Road alignment is only possible alignment to connect the 40,000 population of Marwah & Warwan valley to District H Q Kishtwar. Because in winter season Margan Top remains covered with Heavy snow. Moreover due to construction of this route, migration of local people from Marwah & Warwan Valley should be in favour of upliftment of this remote area. Moreover due to construction of this road accessibility in far flung Kishtwar High altitude would be possible.
