Undertaking for selecting Forest land

We, Divi's Laboratories Limited, Chippada (V), Bheemunipatnam Mandal, Visakhapatnam have selected this land measuring 2.99 ha of forest land in compartment no.978, Gilmanfield Reserve Forest, Visakhapatnam Division for installation of desalination plant in favour of General Manager, Divi's Laboratories Ltd., Chippada Village, Annavaram Post, Bheemunipatnam Mandal, Visakhapatnam District, Andhra Pradesh. For development of desalination plant, after verification of other alternative lands in close vicinity, the particular land is suitable for setting up of our plant in every aspect due to proximity to sea. Because after extraction of sea water 70% of sea water will be pumped back to sea after desalination. Hence we propose this plant near to sea and near to our factory and we have an approach road to reach there.
