TO WHOM SO EVER IT MAY CONCERN

This is to certify that well nos. KSDA and KSDD is to be drilled from existing location of KSAC. **No additional land is required to drill new wells from the existing location.** The existing location is still in use of ONGC. The existing land has forest clearance and environmental clearance. After discussion with Nodal Officer, documents submitted along with application are for existing land of KSAC.

Submitted for your information please.
