Dear Sir,

As per the direction given by forest department in meeting held as per reference (iv), for changing address of user agency and authorized person details, WWIL has to register new profile on forest clearance website with correct address and information details because address change of user agency is disabled in forest clearance website.

In view of the above, user agency has submitted old proposal as per reference (i),(ii) and (iii) on new created WWIL profile on 'PARIVESH' portal of forest clearance on date 04-11-2019 and company has requested to process the proposal submitted from new created WWIL profile on 'PARIVESH' portal of forest clearance while considering it as the old proposal as per reference (i).

Now as per instruction given in letter cited under reference (v) from your good office to withdraw old proposal, user agency has tried for withdraw the old proposal submitted in 2017, but proposal is not showing in "Request for withdraw" section on 'PARIVESH' portal so user agency is requesting Forest Department to withdraw the old Proposal No. FP/KA/WIND/24360/2017 dated 17-02-2017.

Thanking You

Yours Faithfully
