

JUSTIFICATION FOR LOCATING THE PROPOSED ROAD/PROJECT
IN FOREST AREA.

The road from Bhogpur Simbalwala km. 0/0 to 3/440.(portion 1/730 to 2/120 and 3/285 to 3/440 i.e. 0.545 Km), stands already constructed; no fresh alignment is preferred at this stage. The road already constructed passes through the reserve forest and there is no other alternative for connecting the villages. The use of forest land in this road project was unavoidable. Hence there is no need of justification for locating this project in forest land.
