Subject: Clarification regarding NOC for FRA

ONGC has proposed to drill well no. ELDA from existing site of ELAA. For drilling this well no extra land is required. Presently well ELAA is producing oil. Drilling for well ELAA was done from Dt. 16.01.2003 to 28.03.2003. Forest clearance for ELAA is available.

In the year 2003 FRA was not implemented and hence for ELAA site FRA is not required.

Submitted for your information please.
