We are using the existing cart track along the Reserve Forest to reach out the Vipasyana Meditation Centre and Other Residential Dwellings to carry out day to day work. The existing track is in use from our ancestral days.</p> <p>All of a sudden, recently Forest Dept officials have obstructed us for using the said road, claiming the said portion of land as forest land. As there is no other option for us to reach the Vipasyana Meditation Centre and Other Residential Dwellings and in order to avoid any legal complications, we are proposing for diversion of the existing road in my favour.</p> <p>We have explored the entire alternatives for formation of road through revenue and non-forest land &amp; we do not have any alternative approach road to reach the Vipasyana Meditation Centre and Other Residential Dwellings, except for formation of road passing through Forest Area, which was in use for many decades.</p> <p>Forest Land to an extent of 0.8819 ha is only required for formation of road.</p>
