Sub: EDS reply regarding existing ROW

Respected Madam,

Please refer online application number FP/UK/OFC/41591/2019 for permission of laying Optical Fibre Cable

Regarding EDS for existing ROW we would like to state that the details of all land transfer for roads construction in the division is available in the 10 year working plan booklet of forest department of the concerned division.

You are requested to get the notification from the booklet and send it to Nodal Officer at the earliest.

Regards
