Published under the direction of: Dr. Hari Mahapatra, M.Sc., D.Phil., Ph.D., Surveyor-General of India, 1975.

*Water features are shown in blue where they generally contain water.
*Calculated areas are colored yellow.
*The vector boundaries of areas of forest or Protected Areas are shown by green lines.

Contours are approximate.
A contour height, in metres, between the top and bottom of a small area.
Wooded areas are colored green. Scattered trees and other vegetation are in green, but prominent scattered trees are in black.

*This applies.

The integrated heights and contours in this sheet have not been adjusted to the height of the spheroidal bench-marks, and may not be strictly in accordance with them.
The heights with rounded ending marks and the red dots are shown in feet (top, 1/2" where otherwise numbers are shown in metric top, 1/4" 5).
