Aranya Bhavan, Hyderabad

Respected Madam,

Sub: - Proposal to alternative road, DGPS Survey data in hard and soft copies for verification and authentication

Ref:- RC. No. 5976/2019/FCA-1, Dated: 06-11-2021

With the reference to the subject cited above, here with we are submitting DGPS Survey data in hard and soft copies to your office, as you have proposed for diversion of an alternative approach road from Srisailam Highway to Lemoor Village & farmlands all along periphery of Tummaloor RF Block.

DGPS survey data showing the diversion of 9 meters road Hyderabad – Srisailam Highway to connect the existing Tummaloor RF block all along the periphery to Lemoor Village road located in Survey No. 231, situated at Tummaloor Village, Maheshwaram Mandal, Ranga Reddy district.

- Proposed alternative Road Length all along periphery in Meters – 1071.83 M
- Proposed alternative Road Width in Meters – 9 M
- Proposed alternative Road area in Meters – 9646.47 Sq. Metres /0.9646 Hectares.

As we have considered your proposal for alternate road all along periphery of Tummaloor RF block. Please consider our plea and sanction the approach road from Lemoor Village to connecting Srisailam Highway through Tummaloor RF block periphery area.

Thank you Madam

Yours sincerely,
