OFFICE OF THE EXECUTIVE ENGINEER PWD (R&B) DIVISION UDHAMPUR

Justification letter for forest land divesion

- 1. The project for construction of road from ramnagar to basantgarh km 21st to 31st by way of widening and improvement is sanctioned under CRF scheme and is being executed by PWD division udhampur. some stretch of thie road passes through forest area. The road connects ramnagar with tehsil basantgarh. These two tehsils are socially and economically interconnected with each other. Due to high traffic volume on this road, this road needs to be widened from existing 6 mts to 8.50 mts. By constructing this road a population of 50000 souls will be benefitted.
- 2. Forest area can not be avoided as it is an proposal for widening of the existing 6 mts width to 8.50 mts width road.
- 3. There will be benefits to the residents of various villages like kulwanta, kaitha, keya, chatrari and majouri etc.

4. Hence the diversion of forest area land is the only choice to construct this road.
