The Divisional Forest Officer,
Keonjhar Forest Division

Sub.: Proposal for non-forestry use of 194.683 ha of forest land in favour of M/s Odisha Mining Corporation (OMC) involved in total mining lease area of 358.258 ha of Guali Opencast Iron Ore Mines located in District Keonjhar (Odisha)-reg.

Ref: F. No. 8-96/1996-FC (PT.-I) dt. 28.12.2022 by MoEF & CC.

Sir

The point wise compliance to the observation raised by MoEF & CC vide letter under reference pertaining to diversion of 194.683 ha of balance forest land within Guali Iron Ore Mines of OMC Ltd. located in Keonjhar district of Odisha is given as under:

i. As per the detail provided in the Mining Plan, the forest area has been indicated as 229 ha, the same should be rectified to match to the forest area estimated as per DGPS survey. Accordingly, land use of various components proposed in the forest as well as non-forest land may be intimated by the State.

In compliance, OMC vide letter No.8086/OMC/PMC/2023 dt 22.05.2023 had requested the Regional Controller of Mines, IBM, Bhubaneswar to issue an addendum with respect to change in the forest area. In response, the Regional Controller of mines, IBM, Bhubaneswar vide letter No.MCDR-MIFLOFE/11/2022-BBS-IBMRO-BBS dt 02.06.2023 informed OMC as given under:

"In view of the above, the total forest area in the approved mining plan may be read as 332.100 ha and the land schedule in chapter 2.0 (b) lease area details (page-9) is modified as follows:-

Government Land	10.226 ha
Forest Land	332.100 ha
Private Land	15.932 ha
Total	358.258 ha

All other parts of approved Mining Plan remains same."

While clarifying the above discrepancy, IBM has referred the letter issued by the Joint Director of Mines, Department of Mining and Geology (DoMG), Bhubaneswar vide letter No. MXIII (b) 01/2021 .6901/DoMG, dt 17.05.2023 wherein it has been mentioned that the forest kissam area of 332.100 ha (as per HAL and SABIK record) has been jointly verified by Mining, Revenue and Forest Officials and authenticated the DGPS map by the Survey Officer of DoMG.

The copy of the letter by DoMG and IBM is enclosed as **Annexure-I Series** for kind perusal.

The land use of various components as per the approved mining plan and the corresponding changes due to change in total forest area from 229.524 ha to 332.100 ha is enclosed as **Annexure-II** for reference.

ii. Revised Cost Benefit Analysts i.e. 1:1130.46 is still exorbitantly high. The same needs to be revisited to make it more realistic.

In compliance, OMC has revised the benefit and DFO, Keonjhar has estimated cost to bring out the ratio to 1:533.68. The details are enclosed as **Annexure-III & IV**.

iii. A Site Specific Wildlife Management Plan has been reported to be already in place; the status of progress of its implementation needs to be informed by the State.

In compliance, it is submitted that a Site Specific Wildlife Management Plan approved by PCCF (WL) & CWLW, Odisha vide letter No.1WL-C-FC-385/08-321 dt 17.01.2009 (**Annexure-V**) includes cost towards implementation of prescriptions within core area by User Agency for Rs 39.00 Lakh and in the buffer area by DFO, Keonjhar Division for Rs 238.00 Lakh. Out of total Rs 277.00 Lakh, an amount of Rs 271.80 Lakh has been deposited in the CAF on dt 03.03.2010 and a vehicle at the cost of Rs 5.20 Lakhs against balance amount. The list of activities already undertaken in the core area by the User Agency (Ex-lessee: M/s Ramesh Prasad Sao) spending Rs 432.993 Lakh is given at **Annexure-VI**. It is ascertained that due to non-receipt of funds, the approved activities could not be implemented by DFO, Keonjhar.

However, PCCF (WL) & CWLW, Odisha revisited the said plan and approved the revised plan vide letter No.8781/CWLW-FDWC-FD-0134-2021 dt 10.08.2023 with a total financial outlay of Rs 381.894 lakhs which includes Rs 177.750 lakhs towards activities in project impact area of Keonjhar Division and Rs 204.144 lakh in the project impact area of Bonai Division for a plan period of five years which shall be revisited at least one year before expiry of its implementation. The copy of the letter of approval is enclosed as **Annexure-VII**.

iv. Details of notification of non-forest land identified for raising CA, in lieu of diversion of forest land accorded in the past, as RF/PF under the IFA or local Act may be informed by the State.

In compliance, the non-forest Govt. land allotted over 209.54 ha in village Mayurdihi (207.3670 ha) and Tentulikhunti (2.56 ha) against earlier diversion has been mutated in favour of State Forest Department. The State Government vide Notification No.FE-DIV-FLD-0068-2023-{10F-(Cons)-41/2018}-17393/FE&CC dt 16.08.2023 has notified the CA area as "Tentulikhunti Protected Forest" and vide letter No. FE-DIV-FLD-0068-2023-{10F-(Cons)-41/2018}-17386/FE&CC dt 16.08.2023 has notified the CA area as "Mayurdihi Protected Forest". The copy of the PF Notifications and copy of RoR of both the areas are enclosed as **Annexure-VIII series**.

v. The State Government in its letter dated 29.10.2022 mentioned that process for transfer of approval from M/s R.P. Sao (erstwhile agency) to M/s OMC Ltd., in respect of 42.417 ha and 95 ha of forest land approved in the past, is still under consideration in the State. Therefore, on 12.01.2021 the date of execution of lease, no approval under the FC Act, 1980 was available in favour of M/s OMC. Justifications for executing the lease in favour M/s OMC without formal FC approval in their favour needs to be furnished by the State.

In compliance, it is submitted that the State Government vide letter no. 324/SM dt.11.01.2021 has vested all the statutory clearances in favour of OMC including forest approval orders over 42.417 ha and 95.0 ha. All the formalities required for Transfer of FC including deposit of Rs 1, 00,000/- towards processing fees have been fulfilled by OMC and the State Forest Department vide letter No. FE-DIV-FLD-0068-2023-{10F-(Cons)-41/2018}-17906/FE & CC dt 22.08.2023 (**Annexure-IX**) has transferred the FC in the name of OMC Ltd subject to fulfillment of few conditions. A note on justification for executing Guali Iron Ore mining lease in favour M/s OMC without formal FC approval is enclosed as **Annexure-X** for kind perusal.

vi. The Committee also desired that issues related to rationalization of project components specially with regards to OB dump and progress made in the implementation of provisions of the Site Specific Wildlife Management Plan prepared in 2009 and its updates proposed in the extant proposal, justification for assignment of lease without prior approval under the Forest (Conservation) Act, 1980, etc. will be examined by the Integrated Regional Office of the Ministry at Bhubaneswar and Nodal Officer (FCA), Odisha and a report on the same will be submitted along for the consideration of the Committee.

In compliance, it is submitted that the following issues as indicated have been examined by Integrated Regional Office, Bhubaneswar and PCCF (FD & NO, FC Act), Odisha:

OMC rendered all facilities including submission of available information and documents to the members of the committee for onward submission of the report for consideration by FAC.

In this context, kindly consider the above compliances and recommend to higher quarter to attach the committee report for consideration by FAC for grant of Stage-I FC over 194.683 ha of forest land pertaining to Guali Iron Ore Mines of OMC Ltd.

An early action in this regard is highly solicited.

Cost Benefit Analysis in respect of the proposal for diversion of 194.683 Ha of forest land for mining of Iron Ore from Guali Iron Ore Mining Lease of M/s OMC Ltd. in Barbil Tahasil under the jurisdiction of Keonjhar Forest Division of Keonjhar District, Odisha.

Table-C: Existing guidelines for estimating benefits of forest diversion in CBA.

Sl. No.	Parameters	Remarks
1	Increase in productivity attribute to the specific project.	<p>Average annual production of 300, 00,000 MT of Iron Ore from Guali Iron Ore of OMC is considered from 212.27 ha of land proposed for mining out of total ML area of 358.258 ha. Out of remaining 194.683 ha of forest land proposed for diversion, 68.564 ha is considered for mining. Therefore, around 96, 90,111.66 MT of Iron Ore will be produced from 68.564 ha of forest land.</p> <p>Average annual production of 96,90,111.66 MT of Iron Ore with size distribution and the price at the mines head is as indicated below: Calibrated lump Iron Ore: 5-18/18-40mm: 27,13,231.26 (28% of 96,90,111.66 MT) @ Rs. 6560/- -5 mm size: 69,76,880.40 (72% of 96,90,111.66 MT) @ Rs. 4346/-</p> <p>Hence, the annual sale value of Iron ore at the mines head would be Rs. 4812.03/-Crores at the prevailing market rate. The net gain per annum comes to Rs. 2806.69 Crores [(Rs. 4812.03 Crore)- (Rs. 114.21 Crore i.e. average cost of production per ton of Iron Ore + 1891.13 Crore per annum towards deposit of royalty, DMF and NMET)]</p> <p>Hence, the net gain of mines for a period of 10 years comes to= Rs. 2806.69 x 10 years = Rs. 28066.90 Crore =Rs. 2806690.00 Lakh</p>
2	Benefits to economy due to the specific project.	One metric ton (MT) of iron ore contributes 0.588 MT of steel. Therefore, 96, 90,111.66 MT of iron ore will produce around 56, 97,785.66 MT of steel which has a sale value of Rs. 32,477.38/- Crores (Price of one MT of steel is Rs 57,000.00 as on December, 2022).
3	Number of population benefited due to the specific project.	500 nos. of people will be benefited from production of 300, 00,000 MT of Iron Ore. So, around 161 no. of people will be benefited from 96,90,111.66 MT production of Iron Ore.
4	Economic benefits of direct and indirect employment due to the project.	Rs. 2415.00 Lakh (161 Persons x Rs. 500/- as average wage x 300 working days x10)
5	Economic benefits due to Compensatory Afforestation	Rs. 5236.09 lakh
Total		Rs. 2814341.09 Lakh

7.3 (iv) b	The provisions of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 are complied with for the entire forest area. However, mining may not be stopped in the forest area for which FC has already been obtained before grant of General Approval with compliance to the provisions of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.	The legal status of forest land re-assessed as per SABIK and HAL RoR of the ML area comes to 332.100 ha. Grant of the General Approval in favour of OMC under Section 2 (iii) does not in any manner create any right or equity in favour of OMC for grant of approval under Section 2 (ii) of the FC Act. OMC has submitted application for diversion of forest land on dt 12.04.2021 over balance 194.683 ha of forest land under section 2 (ii) of FC Act, 1980 which has been recommended by the State Government.
