

SITE INSPECTION REPORT BELOW THE RANK OF DCF

(For the Forest land to be diverted under FCA)

A proposal has been received by this office from GAIL (India) Ltd., Lucknow (under FCA – 1980) of total 0.1953 hectare forest land (in which 0.0103 hectare Protected forest land and 0.185 hectare Reserved forest) for non-forestry purpose. The project envisages the use of forest land for GAIL (India) Ltd.'s proposed 36"/24" dia Jhansi – Auraiya - Phulpur natural gas pipeline project in District Raebareli. The site inspection of the land involved in the proposal has been done by me on dated 5/9/2017.

On inspection of the site, it's found that the land required by the user agency PF/RF measuring 0.1953 hectare.

The required forest land as proposed by the user agency in column – 2, part - 1 is unavoidable and is barest minimum required for GAIL (India) Ltd.'s proposed Jhansi – Auraiya - Phulpur natural gas pipeline project (Linear project).

Whether any rare/endangered/unique species of Flora and Fauna found the area. If so the details thereof; **NIL**

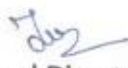

Whether any protected archaeological/heritage site/defence establishment or any other important monument is located in the area. If so the details there of with N.O.C. from competent authority. If required; **NIL**

- A) The user agency has not violated provisions of Forest (conservations) Act - 1980 and no work has been started without proper section.
- B) It has been found that the user agency has violated Forest (conservation) Act - 1980 provisions. A details report as per para 1.9 of chapter 1 part – C of handbook of Forest (conservations) Act – 1980 is attached; **NIL**

Specific recommendation for acceptance of the proposal: Recommended for Acceptance.
