JUSTIFICATION FOR SUBMISSION OF NEW PROPOSAL

KSMCL had submitted forest clearance Proposal No. FP/KA/MIN/36386/2018 dated 6th October 2018 for diversion of forest land under FCA 1980 for installation of Downhill Conveyor Belt from Subbarayanahalli Iron Ore Mine to Dharmapura Railway Siding. Stage-I approval is already granted by MOEF&CC.

A new proposal with an alternate route for conveyor belt and service road was submitted with Proposal No. FP/KA/MIN/45090/2020 dated 15th March 2020 to avoid the overlapping issue with BKG. In the additional information sought by the nodal officer, KSMCL was instructed to create a new profile with user name as Karnataka State Minerals Corporation Limited (KSMCL) instead of Mysore Minerals Limited (MML – former name) and re-submit the proposal.

Subsequently KSMCL created a new user applicant ID for submission of FC Proposals. Also, in view of the above facts due to overlapping and congestion with other conveyor belt proposals, an additional route towards JSW's Nandihalli railway siding is included with existing proposal. Therefore, a new FC proposal No. FP/KA/MIN/48923/2020 is submitted on 24/08/2020 under the user name 'KSMCL'.
