Full title of the project	-	LAND FOR EXTENSION OF BHAMASHAH KRISHI UPAJ MANDI SAMITI
Proposal no.	-	FP/RJ/Others/20036/2016
Proposed diversion area	-	96 ha.
Range	-	Ladpura, Kota
Tehsil	-	Ladpura
Forest Block	-	Kheda Jagpura

“LAND SUITABILITY CERTIFICATE FOR NFL BY DFO”

The details of 96 ha. Non Forest Land set apart for allotment to Forest Department with regard to proposed diversion project FP/RJ/Others/20036/2016 are as follows –

Sl. No.	Tehsil	Village	Area (in ha.)
1	Sangod	Borina Khurd	24.84
2	Sangod	Gurayta	32.99
3	Sangod	Kudet	15.12
4	Sangod	Kotri	23.05
Total			96.0

The above detailed 96 ha. Non Forest Land is ravines in nature and is situated at the eastern bank of Kalisindh river. It is covered with dense patch of Prosopis juliflora. It is certified that this land is free from all sorts of encumbrances and encroachments, as well as critical for protection of nesting habitat of riverine wildlife like Softshell turtle, Ganges turtle as well as Monitor lizards. As a result, complete uprooting of Prosopis juliflora is likely to trigger soil erosion and habitat loss.

Therefore, the mandated plantation of $(96\text{ha.} \times 1000 =) 96,000$ plants is proposed to be carried out on Degraded Forest Land of Double area i.e. $96 \times 2 = 192$ ha. DFL as detailed below –

Proposed CA DFL area	-	192 hectares
Forest Block	-	Sakatpura
Range	-	Ladpura
Tehsil	-	Ladpura, Kota

It is certified that the above detailed proposed DFL area is free from all sorts of encumbrances and encroachments, as well as suitable for plantation. It is situated near the proposed Kota Airport, and is therefore critical for protection and management.

Place: Kota
Date: 13-09-2024
