| S. No. | Division   | Forest Land(ha.)  | Legal Status      |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| 1      | Ramgarh  | 2.84  | jungle-jhari land |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| 2      | Hazaribagh West  | 4.68  | Protected Forest  |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| 3      | Hazaribagh West  | 3.59  | jungle-jhari land |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| Total  |  | 11.11   |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| (vi)   | Density of vegetation  | 0.2   |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| vii)   | Species-wise (scientific names) and diameter class-wise enumeration of trees (to be enclosed. In case of irrigation / hydel projects enumeration at FRL, FRL-2 meter & FRL-4 meter also to be enclosed)                                | Mentioned in online Part- II in Sl.No 4 (ii)  |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| viii)  | Brief note on vulnerability of the forest area to erosion  | Proposed Forest Area is vulnerable to soil erosion and in some part gully erosion is also present inside the forest area proposed for the diversion.  |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| ix)    | Approximate distance of the proposed site for diversion from boundary of forest  | 0 Km  |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| x)     | Whether forms part of national park, wildlife sanctuary, biosphere reserve, tiger reserve, elephant corridor, wildlife migration corridor etc. (If so, the detail of the area and comments of the Chief Wildlife Warden to be annexed) | No  |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| xi)    | Whether any rare/endangered/unique species of flora and fauna found in the area- if so, details thereof.   | No  |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| xii)   | Whether any protected archaeological/heritage site/defence establishment or any other important monument is located in the area. If so, the details thereof with NOC from competent authority, if required.                            | No  |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |
| 8.     | Whether the requirement of forest land as proposed by the user agency in col. 2 of Part-I is unavoidable and bare minimum for the project. If no, recommended area item-wise with details of   | Yes   |                   |          |                  |              |   |         |      |                   |   |                 |      |                  |   |                 |      |                   |       |  |       |  |

|      | alternatives examined  |   |
|------|--|---|
| 9.   | Whether any work in violation of the Act has been carried out (Yes/No). If yes, details of the same including period of work done, action taken on erring officials. Whether work in violation is still in progress. | No  |
| 10.  | Details of compensatory afforestation scheme   |   |
| i)   | Details of non-forest area/degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches, size of each patch   | Mentioned in online Part- II in Sl.No. 13 (i)               |
| ii)  | Map showing non-forest/degraded forest area identified for compensatory afforestation and adjoining forest boundaries.   | Mentioned in online Part- II in Sl.No. 13 (iii) and 13 (iv) |
| iii) | Detailed compensatory afforestation scheme including species to be planted. Implementing agency, time schedule, cost structure, etc.   | Mentioned in online Part- II in Sl.No. 13 (ii)              |
| iv)  | Total Financial Outlay for Compensatory afforestation scheme   | 67.14680  |
| v)   | Certificates from competent authority regarding suitability of area identified for compensatory afforestation and from management point of view. ( To be signed by the concerned Deputy Conservator of Forests).     | Enclosed  |
| 11.  | Site inspection report of the DCF (to be enclosed) especially highlighting facts asked in col. 7 (xi, xii), 8 and 9 above.   | Enclosed  |
| 12.  | Division/District Profile  |   |
| i)   | Geographical area of the district (in ha.)   | 430200  |
| ii)  | Forest area of the district (in ha.)   | 203800  |
| iii) | Total forest area diverted since 1980 (in ha.) with No. of Approved Cases  | 3794.237 ha<br>No. of Approved Cases :- 26                  |
| iv)  | Total compensatory afforestation stipulated in the district/division since 1980 on<br>(a) Forest Land including penal C.A. (in ha.)<br>(b) non-forest land   | (a) 5365.37 ha<br>(b) 0 ha                                  |
| v)   | Progress of compensatory afforestation as on(date)<br>(a) Forest land (in ha.)<br>(b) Non-forest land (in ha.)   | Date :- 31/03/2021<br>(a) 5365.37 ha<br>(b) 0 ha            |
| 13.  | Specific recommendation of the DCF for acceptance or otherwise of the proposal with reason   | Enclosed  |
