Subject: - : Permission for 6" dia CS pipe Laying along the Laying along the NH30 (Bada Bye Pass)
for commencing CNG and PNG supply from NH-30 (Bada Bye Pass to M/s Pratap Filling
Station near SDM office at City road.

Dear Sir,

As you are aware that Central UP Gas Limited (CUGL) is joint venture of two PSUs companies, Maharatna Company GAIL (India) Limited and Navratna Company Bharat Petroleum Corporation Limited. CUGL is implementing City Gas Distribution Project for supplying Gas (CNG and PNG) to automobiles and other establishments like industries, commercial and domestic sectors in Bareilly. In line with the permission from Honorable Supreme court of India and authorization from Petroleum and Natural Gas Regulatory Board and Ministry of Petroleum and Natural Gas to reduce pollution level in Bareilly and make the Bareilly City Clean.

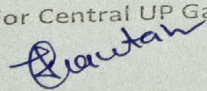

For this we we have already laid CS/MDPE network in line with permission from different authorities like BNN, NHAI, PWD & Forest department itself in the past for the Protected/ Non- Protected areas at Bareilly.

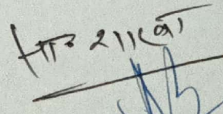

In line with the same, we are planning to expand the network along the NH 30 (Bada bye Pass) for which we need to lay 6" dia. CS and 125 mm dia. MDPE pipeline in the same trench from NH-30 (Bada Bye Pass to M/s Pratap Filling Station near SDM office at city road.(as per drawing attached).

Further, we have already applied the NOC from the owner of this section i.e from PWD (copy attached as annexure-01) and NHAI (copy attached as annexure-02).

Hence, in view of the above, we request you to kindly arrange to provide desired NOC for laying of above-mentioned pipeline in public interest.

Thanking you,
For Central UP Gas Limited
