

Regarding Overlapping Of CA Land Polygon and Land Proposed For Diversion

Sub : Proposal for diversion of 10.9736 ha. for construction of LILO of 400KV Bamnauli-Jhatikara Transmission Line at Dwarka, Sector-5 by Power Grid Corporation of India Ltd. Under Forest (Conservation) Act, 1980-reg.

Ref-Letter No. 12/PS/PCCF/FCA/Bamnauli-Jhatikara/2019/2493-96, dated 31-08-2020; Point No.4

Online Proposal No:FP/DL/Trans/39469/2019

The observed overlapping was due to consideration of an earlier route of the Mandola-Bawana TL at Maharanibagh. The approved route has subsequently being clarified against reply of point no.5 of online proposal No: FP/DL/Trans/36614/2018. It is therefore clarified here that in view of above clarification, there is no overlapping at present CA Land polygon and land proposed for diversion.
