NOTES

Height in metres and above Indian mean sea level.
Contours are approximate.
The triangulated heights and contours in this sheet have not been adjusted to the heights of the principal levelled bench-marks and may not be strictly in accordance with them.
Magnetic buildings are shown in black with names.
A relative height, e.g., the marked along a canal, indicates the height of the top of the canal measurement above the adjacent country.
Rail Pump is shown true.
