

**Details of land identified for compensatory afforestation.**

**Whether non-forest or Revenue forest land is required to be provided by user Agency :-**

We have total 345 Ha land under 95 years Lease allotted by MIDC for Company and out of the said land we have sufficient land to spare for compensatory afforestation. As per Forest department directives, we can spare required company owned land for compensatory afforestation.

The proposed pipeline is a part of the said project and in fact, the area required pipe line is very negligible as compared to total land allotted to Company from MIDC.

**Whether the area of non-forest land or revenue forest land required to be provided by the User Agency for raising compensatory afforestation is less than area of forest land proposed to be diverted?**

We have sufficient land available from the MIDC allotted land for Company purpose. We have lease with MIDC for 95 years term for 345 Ha land for manufacturing coated paper production in our plant at Bhadalwadi and Poundwadi area.

The proposed pipeline is a part of the said project and in fact, the area required pipe line is very negligible as compared to total land allotted to Company from MIDC.

**Company Drawing can be attached.**
