2. Our Letter dated 10th July, 2020 seeking time to file reply.
3. Our Reply dated 23rd July, 2020 and 27th July, 2020

Dear Sir,

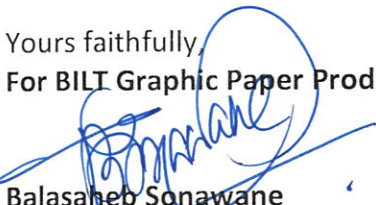

This is with reference to the above-mentioned communications exchanged between your good office and our Company in relation to intake Pipe Line through Village Kumbhargaoon, Gat No. 120 (Old Gat No. 20).

Kindly refer to our reply dated 23rd July, 2020 whereby without prejudice, we requested your good office to provide us a detailed map with demarcated area of Forest Land mentioning Gat numbers and exact location from where our intake Pipe Line is crossing through the Forest Land. However, we have not received the requested information and documents from your good office till date. Accordingly, we request you to please provide the same at the earliest. It is reiterated that none of the portion of our pipeline is passing through the forest areas as alleged and non-supply of the map of the demarcated forest area with specific Gat No. etc., which speaks otherwise on your part.

That unless the requested map and the desired documents are provided to us within a period of one week, it shall be presumed that your allegation for alleged encroachment on the Forest Land are not justified and any action taken at your end against our Company in this regard shall be contrary to the law of the land and principles of natural justice.

Thanking you,

Yours faithfully,
