

ANNEXURE**(See Rule 6)****Form –A****Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities.**

PART-1 (To be filed up by User Agency)

1	Short narrative of the proposal and project/scheme for which the forest land is required.	:	<p>The present proposal is for prior approval for diversion of 45.1009 Ha of the Forest Land under F(C) Act 1980 for the purpose of construction of Warora pool – Warangal (New) Transmission Line under the scheme of “Additional inter regional AC link for import into southern region i.e Warora – Warangal and Chilakaluripeta – Hyderabad – Kurnool 765kV link”.</p> <p>Length of the line passing through the forest is 45.0032 Ha (6716.90 m) in Asifabad, Bellampally and Peddapalli Forest Division in Telangana State.</p>												
(i)	Map showing the required forest land, boundary of adjoining forest on a 1:50,000 scale map.	:	Map showing the reserve forest and adjacent forest is enclosed. The ETS & DGPS/GNSS Survey data map authenticated by the Forest Department enclosed.												
(iii)	Cost of the project	:	Rs 54500 Lakh approx.												
(iv)	Justification for locating the project in forest area	:	<p>The Warora Pool – Warangal (New) 765kV D/C Transmission Line starting from Warora Substation of PGCIL, Maharashtra and terminating at 765/400KV Warangal (New) Switchyard, passing through district of Maharashtra and Telangana (Asifabad, Bellampally, Pedapally, Warangal Urban). The route of the above line is passing through the Reserve forest patch along the State boundary of Telangana and Maharashtra and patches of reserve forest in Asifabad, Bellampally and Peddapally, having forest area of 45.0032Ha. The chosen route is optimal route with minimum forest area involved in the project along with best construction and maintenance facility and cost efficient.</p> <p>A detail comparison of all the three alternative is as below:</p> <table border="1"><thead><tr><th>Description</th><th>Alternate -I</th><th>Alternate -II</th><th>Alternate III</th></tr></thead><tbody><tr><td>Line Length in Telangana</td><td>219.958 Km</td><td>218.458 Km</td><td>221.912 Km</td></tr><tr><td>Forest area in Telangana</td><td>6.731 Km</td><td>22.243 Km</td><td>14.639 Km</td></tr></tbody></table>	Description	Alternate -I	Alternate -II	Alternate III	Line Length in Telangana	219.958 Km	218.458 Km	221.912 Km	Forest area in Telangana	6.731 Km	22.243 Km	14.639 Km
Description	Alternate -I	Alternate -II	Alternate III												
Line Length in Telangana	219.958 Km	218.458 Km	221.912 Km												
Forest area in Telangana	6.731 Km	22.243 Km	14.639 Km												

			Referring to the above comparative statement for alternative routes, all the three routes are positioned on either side of BEE line. After initial inspection over survey of India maps and satellite image, all three routes were explored for best and optimal route. Special attention has been given to forest, power line crossings, Road crossings and Railway crossings and habitation. After detail analysis Route 1 has been observed as most viable.																																
(v)	Cost-benefit analysis (to be enclosed)	:	Annexure Enclosed																																
(vi)	Employment likely to be generated	:	During constriction of this project 60000 man-days will be generated, after completion of the project 5 No. of regular shift required for maintenance works for 35 years.																																
2	Purpose-wise break-up of the total land required	:	<p>After working out various alternative Alignments, the diversion of forest land to the minimum requirement is worked out. The details of the forest land proposed for diversion for construction of 765kV D/C transmission line(67mtr ROW) is as below :</p> <table><tr><th>Division</th><th>Reserve Forest</th><th>Length in Mtr</th><th>Area in Ha</th><th>Total Area in Division</th></tr><tr><td rowspan="3">Asifabad</td><td>Manikgarh</td><td>464.80</td><td>3.1142</td><td rowspan="3">14.2842</td></tr><tr><td>Nambal</td><td>617.80</td><td>4.13</td></tr><tr><td>Rechani</td><td>1053.00</td><td>7.05</td></tr><tr><td rowspan="3">Bellampally</td><td>Rechani</td><td>228.30</td><td>1.5296</td><td rowspan="3">13.7853</td></tr><tr><td>Bellampally</td><td>1537.30</td><td>10.2999</td></tr><tr><td>Bellampally</td><td>291.90</td><td>1.9557</td></tr><tr><td>Peddapalli</td><td>Kammampally</td><td>2542</td><td>17.0314</td><td>17.0314</td></tr></table>	Division	Reserve Forest	Length in Mtr	Area in Ha	Total Area in Division	Asifabad	Manikgarh	464.80	3.1142	14.2842	Nambal	617.80	4.13	Rechani	1053.00	7.05	Bellampally	Rechani	228.30	1.5296	13.7853	Bellampally	1537.30	10.2999	Bellampally	291.90	1.9557	Peddapalli	Kammampally	2542	17.0314	17.0314
Division	Reserve Forest	Length in Mtr	Area in Ha	Total Area in Division																															
Asifabad	Manikgarh	464.80	3.1142	14.2842																															
	Nambal	617.80	4.13																																
	Rechani	1053.00	7.05																																
Bellampally	Rechani	228.30	1.5296	13.7853																															
	Bellampally	1537.30	10.2999																																
	Bellampally	291.90	1.9557																																
Peddapalli	Kammampally	2542	17.0314	17.0314																															
3	Details of displacement of people due to the Project, if any	:	Nil																																
(i)	Number of families	:																																	
(ii)	Number of scheduled casts/ Scheduled Tribe Families	:	Does not arise as there are no displacement of the people for the project																																
4	Whether clearance under Environment (Protection) Act.1986 required (Yes/No)	:	Transmission line do not require Environment Clearances																																

5	Undertaking to bear the cost of raising and maintenance of compensatory afforestation and/or penal compensatory afforestation as well as cost for protection and regeneration of safety zone, etc., as per the scheme prepared by the State Government	:	Enclosed
6	Details of Certificates / Documents enclosed as required under the instructions	:	<ul style="list-style-type: none"> ❖ Justification for locating the Project inside the Forest Land ❖ Undertaking for depositing the funds towards raising and maintenance of Compensatory afforestation. ❖ Undertaking for depositing the funds towards payment of Net Present Value (NPV) and Additional NPV ❖ Certificate of Area Minimum of forest land ❖ Detailed statement requirement of forest land ❖ Map in SI sheet showing the forest land ❖ ETS & DGPS/GNSS survey data for forest land proposed for diversion ❖ Certificate for non-violation of Forest (Conservation) Act, 1980 etc

Date: 30/01/2018

Place: New Delhi

Signature :

Name in Block Letter : RAJNISH MEHROTRA

Designation : HEAD FOREST & WILDLIFE CLEARANCES

Address of Agency : WARORA KURNOOL TRANSMISSION LIMITED
