Dear Sir,

Please find point-wise reply of queries in reference to above referred letters as follows:

- i. The state shall provide the details of other projects of the user agency which are proposed to be used for over burden dumps, Belt, CHP & Siding etc. The details of forest land diversion in these projects along with status of compliance of the stipulate conditions under FCA shall also be provided.

**Reply-** No overburden will be dumped in any other project. As indicated in Project Report, overburden quantities will be dumped within quarry area of instant project. (Copy of Mining plan showing Stage Plan enclosed).

In project report, it has been proposed to utilize the existing CHP, Siding and transportation road of adjacent coal mining project namely Rajnagar RO Underground mine.

**Status of Forestry Clearance of Rajnagar RO Underground mine -**

Stage-I Forestry Clearance was obtained on 10.01.2008 for “Renewal of 502.00 Ha Forest land for Underground mining right and 123.56 Ha Forest land for surface right” (Proposal No. FP/MP/MIN/1384/2006). Further, the FC proposal was considered in FAC meeting on 26.07.2018 wherein Committee members recommended that-

- I. State Government shall submit the status of CA carried by State Government in lieu of the diverted forest land for which renewal proposal is under consideration of MoEF&CC. If the CA done in the past against the same land is as per MoEF&CC guideline, No CA shall be insisted upon on renewal of approval. If there is gap between the requisite CA as per the guideline and actually carried out in the field then the balance CA shall be raised over degraded forest land equivalent to double the extent of the gap. State Government shall submit the revised CA scheme accordingly.
- II. Compensatory afforestation, if done, shall be done as per the MoEF&CC guidelines dated 08.11.2017.

- III. MoEF&CC shall take the matter related to payment of NPV with member Secretary CEC. The amount paid by user agency against NPV of the area shall be reconciled with CEC, User agency, State Government and Adhoc CAMPA.

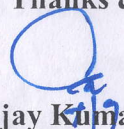

Subsequently, the PCCF (LM), Bhopal in its letter dated 05/07/2023 informed about non-availability of records relating to CA sites; further seeking consent of mine authorities for re-payment of amount for carrying out new CA schemes. State government is yet to submit its reply in compliance with FAC recommendations.

Compliance status of Stage-I FC is enclosed.

- ii. The State shall revisit the Compensatory Afforestation areas keeping in view the observations raised by the Regional Office in Site Inspection Report and take corrective measures accordingly.
