

**DIVERSION OF 1.5648 HA. OF FOREST LAND FOR CONSTRUCTION OF LINK ROAD
FROM MASROOR TO GHARIAR IN DISTRICT KANGRA (H.P.)**

FILE NO. : FP/HP/ROAD/11020/2015

DATE OF PROPOSAL : 10/01/2018

DETAIL NOTE ON THE PROJECT

The said road starts from village Masroor in Tehsil Dehra and connects with Ghariar village which is remotely situated in District Kangra (H.P.). The proposed road was constructed long back in 1970s. The road is proposed to provide all weather road to people living in Dhar and Ghariar villages. The total length of the road is 2/786 km. The road will connect villages Masroor, Dhar and Ghariar villages and will link the entire population of this area.

The road is proposed after taking into consideration of urgency of road to provide link to above villages, which is very important for connectivity and to carry their food grains and other basic commodities including providing medical facilities.

It is further mentioned that between km. 0/0 to km. 2/786, there already exists a katcha road since long time. This path is used by the surrounding villagers. The road alignment will follow this path. There is no other suitable non-forest land available in the vicinity.

The Project Comprises of the following civil works.

➤ **Road Alignment**

The adverse impact of the construction on the environment shall be taken care of. Cut & fill method shall be used for disposal of muck/debris and the rest would be used in filling the embankments of different structures, retaining walls and low lying areas. Thus every care shall be taken to minimize the ill effect on the environment.

LOCATION OF THE PROJECT:

The said road starts from village Masroor in Tehsil Dehra and connects with village Dhar and Ghariar villages in Tehsil Dehra in District Kangra (H.P.).

JUSTIFICATION FOR LOCATION THE PROJECT IN FOREST AREA:

The proposed link road from Masroor to Ghariar in District Kangra is feasible in the forest land only. Apart from the private land proposed, there is no other Private land / Govt. land available in the concerned area. There is already kutchra road along the proposed alignment which is being fully utilized. The proposal involves felling of Nil number of trees. Keeping in view the existing Kutchra path, there is no other alternative to minimize the forest land.

Total Population Benefited:

The population of approx. 650 persons living in the surrounding area of village Masroor, Dhar and Ghariar will be benefited with the construction of this road.

Project objectives:

- Provide all weather road to local people.
- To link the Sub – Division head quarters with shortest economical route.

The project would have lot of long term direct and indirect advantages. Hence the project is requested to be considered.
