## **CHECK LIST**

PROPOSAL FOR DIVERSION OF FOREST LAND MEASURING 20.383 HA FOR NON-FOREST USE i.e. FOR MINING OPERATION IN RESPECT OF BHUBANESWARI OCP FOR NON-FORESTRY USE UNDER FOREST (CONSERVATION) ACT, 1980.

State Serial No: OR-038/2022 Dt. 11/05/2022

<u>Title of the proposal:</u> Diversion of balance forest land measuring 20.383 Ha. (DLC Forest) for Non-forest use i.e. for mining operation in respect of Bhubaneswari OCP of M/s Mahanadi Coalfields Limited

Sl No	Details and documents to be provided	Provided or not	If not provided why?	Page Number
1	Check list of project proposal	Yes		01-03
2	Authorization letter of the project authority.  Position of the Authorized person in the company with the signature attested.	Yes		04
3	Main application Form from Part-I prescribed in the rules under Forest (Conservation) Act, 1980 with all its columns duly filled in and signed by the Component authority with date, place and their official seal.  NB:-All the information of Part-I of the Form A including Itemwise Breakup of the forest area required must be given in the Form itself by expanding the columns.	Yes		05-12
4	Detail note on the project.  It must include the information regarding the number of village and number of persons to be benefited from the project including employment generation.	Yes		13-17
5	Map of the project site with forests areas indicated clearly by showing forest boundaries within the proposed area. Proposed land use of all areas in distinct colours in 1:50000 or any other suitable scale on original survey of India Topo-sheet. <i>The survey details should in the GPS Coordinates in addition to plain table survey.</i> NB: If the area is very small in addition to above, an index map be submitted showing forest boundaries and a location map on a larger scale with land use of the area required duly signed by User agency Revenue authorities not below the rank of Tahasildar and DFO concerned.	Yes		18
6	Lay-out plan of project site.  In case of linear diversions of forest land, linear map or a diagrammatic map of the project site, if it is not a linear diversion, map should be enclosed.	Yes		19
7	Statement showing the details of forest area involved.  Survey No. /Coup No. Compartment No. etc and item –wise breakup of the forest area proposed for diversion duly signed by Range officer and DFO concerned.	Yes		20-24

Statement giving the details of non-forest areas involved in the proposal. The land schedule and the map have to be attested by the revenue authority not below the rank of Tahasildar.  Certificate from the project proponent that no alternative suitable non-forest land is available for the project in question, and that, this is the best location from among several alternatives considered and involving the barest minimum extent of forest land.  10 justification for locating the project in forest area to be given by the User agency and countersigned by DFO.  Certificate for minimum use of forest land to be submitted by User Agency giving details of areas and trees involved in the alternatives examined and reasons for their rejection duly countersigned by DFO.  Cost-Benefit analysis as per the guidelines issued under Forest (Conservation) Act, 1980 in Prescribed format, if not required reasons may be mentioned.  No Objection Certificate from local bodies i.e. Aam Sabha.  Yes 3.3  Satus of clearance under Environment (Protection) Act, 1986, where necessary.  1) Environment Clearance and 2) Orisas State Pollution Control Board clearance.  Detail scheme for rehabilitation of project affected person. The scheme has agreement with the state R&R policy 2006.  Has the rights under Forest Rights Act 2006 has been settled? If so, the Documents from the collector and Gramsobha need to be attached.  Dudertaking by the User Agency to pay the Net Present Value (NFV) of the forest land involved duly countersigned by the DFO.  Details continued to the forest area involved in the project affected person. The scheme has agreement with the state R&R policy 2006.  Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area in question neathy typed or computerrized and duly signed by DFO.  Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area in Question nea					
suitable hon-forest land is available for the project in question, and that, this is the best location from among several alternatives considered and involving the barest minimum extent of forest land.  10 Justification for locating the project in forest area to be given by the User Agency giving details of areas and trees involved in the alternatives examined and reasons for their rejection duly countersigned by PCO.  11 User Agency giving details of areas and trees involved in the alternatives examined and reasons for their rejection duly countersigned by PCO.  12 Cost-Benefit analysis as per the guidelines issued under Forest (Conservation) Act, 1980 in Prescribed format, if not required reasons may be mentioned.  13 No Objection Certificate from local bodies i.e. Aam Sabha.  14 Yes 33 Jesus of clearance under Environment (Protection) Act, 1986, where necessary.  15 Invironment Clearance and 2) Orissa State Pollution Control Board clearance.  16 Detail Scheme for rehabilitation of project affected person. The scheme has agreement with the state R&R policy 2006.  16 Has the rights under Forest Rights Act 2006 has been settled? If so, the Documents from the collector and Gramsabha need to be attached.  17 Undertaking by the User Agency to bear the cost of Compensatory Afforestation duly countersigned by the DFO.  18 Ondertaking by the User Agency to pay the Net Present Value (NPV) of the forest land involved duly countersigned by the DFO.  29 Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area in question nearly typed or computerized and duly signed by PFO.  20 Site inspection report of the forest area involved in the project proposal by concerned DFO or higher level Forest Officer in prescribed format.  21 Details of non-forest land/degraded forest area identified for compensatory afforestation vix. Survey No. Compartment No. Village, Tahasil, District etc. along with the boundaries of adjoining areas with their lan		8	proposal. The land schedule and the map have to be attested by	Yes	25
Certificate for minimum use of forest land to be submitted by User Agency giving details of areas and trees involved in the alternatives examined and reasons for their rejection duly countersigned by DFO.  Cost-Benefit analysis as per the guidelines issued under Forest (Conservation) Act, 1980 in Prescribed format, if not required reasons may be mentioned.  No Objection Certificate from local bodies i.e. Aam Sabha.  Status of clearance under Environment (Protection) Act, 1986, where necessary.  Status of clearance under Environment (Protection) Act, 1986, where necessary.  Detail scheme for rehabilitation of project affected person. The scheme has agreement with the state R&R policy 2006.  Has the rights under Forest Rights Act 2006 has been settled? If so, the Documents from the collector and Gramsabha need to be attached.  Undertaking by the User Agency to bear the cost of Compensatory Afforestation duly countersigned by the DFO.  Undertaking by the User Agency to pay the Net Present Value (NPV) of the forest land involved duly countersigned by the DFO.  Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest are in question neatly typed or compensatory afforestation report of the forest area involved in the project proposal by concerned DFO or higher level Forest Officer in prescribed format.  Details of non-forest land/degraded forest area aidentified for compensatory afforestation viz. Survey No. Compartment No., Village, Tahasil, District etc. along with the boundaries of adjoining areas with their land use in distinct colours.  Details of non-forest land/degraded forest area at present wage rates duly signed by the DFO and countersigned by the CF concerned. The CA schem must include all the technical details, details of work scheduled total financial outlay and proposed monitoring mechanism.  Certificate from the DFO that non-forest land selected for		9	and that, this is the best location from among several alternatives considered and involving the barest minimum	Yes	26
11 OSEF Agency giving details of areas and trees involved in the alternatives examined and reasons for their rejection duly countersigned by DFO.  12 (Const-Benefit analysis as per the guidelines issued under Forest (Forest (Conservation) Act, 1980 in Prescribed format, if not required reasons may be mentioned.  13 No Objection Certificate from local bodies i.e. Aam Sabha.  14 Status of clearance under Environment (Protection) Act, 1986, where necessary.  15 Invironment Clearance and 2) Orisas State Pollution Control Board clearance.  16 Set of the scheme for rehabilitation of project affected person. The scheme has agreement with the state R&R policy 2006.  16 Has the rights under Forest Rights Act 2006 has been settled? If so, the Documents from the collector and Gramsabha need to be attached.  17 Undertaking by the User Agency to bear the cost of Compensatory Afforestation duly countersigned by the DFO.  18 (NPV) of the forest land involved duly countersigned by the DFO.  19 Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area in question neathy typed or computerized and duly signed by DFO.  20 Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area in question neathy typed or computerized and duly signed by DFO.  21 Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area in question neathy typed or computerized and duly signed by DFO.  22 Species-wise and Girth class wise enumeration list and abstract of trees (abstract to be given at the end of the list) standing in the forest area involved in the project proposal by concerned DFO or higher level Forest Officer in prescribed format.  23 Letals of non-forest land/degraded forest area identified for compensatory afforestation viz. Survey No. Compartment No.  24 Letals of non-forest land/		10	Justification for locating the project in forest area to be given by the User agency and countersigned by DFO.	Yes	27-28
reasons may be mentioned.  13 No Objection Certificate from local bodies i.e. Aam Sabha.  Status of clearance under Environment (Protection) Act, 1986, where necessary.  1) Environment Clearance and 2) Orissa State Pollution Control Board clearance.  Detail scheme for rehabilitation of project affected person. The scheme has agreement with the state R&R policy 2006.  Has the rights under Forest Rights Act 2006 has been settled? If so, the Documents from the collector and Gramsabha need to be attached.  17 Undertaking by the User Agency to bear the cost of Compensatory Afforestation duly countersigned by the DFO.  Undertaking by the User Agency to pay the Net Present Value (NPV) of the forest land involved duly countersigned by the DFO.
