पत्र सं०: कैम्प-1/ Forest / online / 2016
सेवा में,

दिनांक: 29 / 09 / 2016

प्रभागीय वनाधिकारी,
चकराता वन प्रभाग, चकराता।
विषय: जनपद देहरादून में प्रधानमंत्री ग्राम सड़क योजना के अंतर्गत दमन से देसऊ मोटर मार्ग
निर्माण (लम्बाई 12.675) हेतु 5.8695 हे० वन भूमि हस्तान्तरण।
संदर्भ: FP/UK/ROAD/7806/2014 and Letter from GOI dated 22.09.2016 and your
online objections dated 24.09.2016.

महोदय,

भारत सरकार के क्षेत्रीय कार्यालय द्वारा दिनांक 22.09.2016 को लगाई गई आपत्ति का
निराकरण समग्र संकलित बिन्दुवार संगत दस्तावेज क्रमवार- संलग्नक-ऑन लाईन करते हुए निम्न प्रकार हैं।

क्रम सं०	आपत्ति	निराकरण
1.	In reply to point No.-4, it is mentioned that the component wise breakup of total land required for the project is already uploaded in para-B-2.4 of online Part-I. But, it is seen from para-B-2.4 that the name of the component is not mentioned in column-2 of the table instead 1 is written in the column. State Govt. may mention name of the component in column-2 of the table.	The component wise breakup of total land required for the project is already uploaded in para-B-2.4 of online Part-I which is only one component and now the name of the component is mentioned in column.
2.	In reply to point No.-9, it is mentioned that the cost benefit analysis consisting of Annexure-VI (b), Annexure-VI (c) and Cost Benefit Ratio Calculation Sheet is uploaded in para-G of online Part-I. It is seen from the documents uploaded that all the parameters in Annexure-VI (b) & Annexure-VI (c) have not been quantified and expressed in monetary terms. Further, the monetary figures given in the Cost Benefit Ratio calculation sheet do not tally with the monetary figures given in Annexure-VI (b): Parameters for evaluation of loss of forests and Annexure- VI (c): Parameters for evaluation of benefits notwithstanding loss of forests. State Govt. may review the same and resubmit revised CB Analysis.	The cost benefit analysis consisting of Annexure-VI (b), Annexure-VI (c) and Cost Benefit Ratio Calculation Sheet is uploaded in para-G of online Part-I in revised form . Now major parameters in Annexure-VI (b) & Annexure-VI (c) have been quantified and expressed in monetary terms. The monetary figures given in the Cost Benefit Ratio calculation sheet now tally with the monetary figures given in Annexure-VI (b): Parameters for evaluation of loss of forests and Annexure- VI (c): Parameters for evaluation of benefits notwithstanding loss of forests.
3	In reply to point No.-12, it is mentioned that the scanned copy of the geo referenced digital map for the area proposed for CA has been uploaded in para-L of online Part-I but, the map in question has been found attached with the reply but not uploaded at para-L. State Govt. may upload the map at designated place in online Part-I.	The scanned copy of the geo referenced digital map for the area proposed for CA showing co-ordinates of all corners has been uploaded in para-L (v) of online Part-I.

4.	In reply to point No.-17, it is mentioned that the CA stipulated (842.69 ha) is commensurate to the forest land diverted (518.99 ha X 2= 1037.98 ha) and the progress of CA is mentioned as 112.44 ha in forest land & 730.209 ha in non-forest land against 1037.98 ha. Thus, it appears that the CA stipulated is 1037.98 ha instead of 842.69 ha which is the progress of CA. State Govt. may review the reply and intimate correct data about forest land diverted, CA stipulated and progress of CA and make necessary corrections in para-14 of online Part-II.	Is to be done by your side (DFO).
5.	In reply to point No.-18, it is mentioned that the necessary correction has been made in the land schedule and hard copy is uploaded in additional document but, the revised land schedule has not been found uploaded as additional document in online Part-I. State Govt. may review the reply and upload the revised documents.	The revised land schedule has been already uploaded as additional document at point no 32 in online Part-I.

अतः उपरोक्तानुसार अपत्तियों का निराकरण कर प्रस्ताव अग्रिम कार्यवाही हेतु प्रेषित है।
