On verifying the online application Re-submitted by this office, the proposal has been returned seeking certain crucial information required for processing has not been provided completely and correctly in spite of online communication by your office vide Ref . As such the required informations have been provided item wise and the proposal is re-submitted herewith with a request to consider the submitted proposal and do the needful for further processing of the proposal.

Reference Item No. in Form-A	Remarks Attended
1. In Part I and II, in the copy of Survey of India Toposheet uploaded, there are no legends on the Toposheet. Please upload proper map.Scanned copy of the Geo-referenced map of the protected area prepared by using DGPS or Total Station needs to be provided (in its place village map has been uploaded). Please provide the details of alternatives examined for the project. Whether the pipeline will be underground or overground? What will be the dimensions of the pipeline? Please provide animal passage plan, if the pipeline is overground.	Legend marked Toposheet is uploaded.
	Geo-referenced Map is uploaded.
	The pipeline is Undergrounded and 2.58 inches PVC pipe is considered. The pipeline is Undergrounded so animal passage plan is not required.

Yours faithfully

  
Executive Engineer  
KRIDL  
CHIKKAMAGALURU
