Sir,

Kindly refer to your office online EDS dated 17.01.2024 raised through Parivesh 1.0 on the above cited subject.

2. The point-wise reply to the observations is given under:

S.N.	EDS	Reply
1.	The reply is not acceptable, as the proposal is still in initial stage, hence all documents are required to be revised accordingly, further, the detail in online Part-I is editable, hence take further action.	The matter regarding correction of project details of Part-I was taken with MoEF & CC, GoI and they have asked that necessary correction in this regard can be made at Nodal Office level which may please be requested from Nodal Officer, HP. Further, the revised proposed forest and private area is 4.8639 ha. and 0.0628 ha. respectively and accordingly all relevant documents have been revised and uploaded in Part-I.
2.	The documents as uploaded at Sr. No.31 are not legible, please upload the legible copies of the same.	Legible copy of documents has been uploaded against additional information of Part-I.
3.	The consent letter of HIMURJA is for 2.0 MW whereas project has been proposed for 5.0 MW. Necessary rectification/clarification in this regard to be done.	The capacity of the project has been enhanced to 5.0 MW from 2.0 MW and as per TEC and IA the approved capacity of the project is 5.0 MW.
4.	The copies of IA as uploaded at Sr. No.31 are not legible.	The legible copy of IA has been uploaded against additional information of Part-I.
5.	The list of approved or proposed project has been uploaded but reply of point No.12 (iii) is not correct, as total capacity of the rivulet in terms of Hydro Power Project.	The certificate issued by HIMURJA showing the detail of projects approved/proposed has been uploaded against additional information of Part-I. Further, as per the letter issued by HIMURJA the capacity of the stream in terms of Hydro Power Project is 18.50 MW.

This is submitted for favour of kind information and further necessary action please.
