2. EDS Dated 19.09.2020 and EDS Dated 23.04.2021

Dear Sir,

With reference to the above, I would like to furnish the Essential Details Sought for the application of forest land diversion proposal. The details of compliance are as presented below:

Sl. No	Previous query raised by Forest dept. on 19.09.2020	Complied on 18.03.2021	Further query raised on 23.04.2021	Compliance
1.	C-(iii)- The uploaded SOI topo-sheet (1:50,000 scale) map indicating the forest land proposed to be diverted for non-forestry use has not annexed the DGPS/Total Station coordinate points in the map as well as in the legend. Moreover, no DGPS/Total Station coordinate readings annexed in the uploaded SOI toposheet 1:50,000 scale map. Hence, a fresh map maintaining the full 1:50,000 scale showing all the diversion activities along with appropriate length and breadth of the proposed area, important components, legends and DGPS/Total Station coordinate points and DGPS/Total Station coordinate readings should be uploaded.	C-(iii)- The SOI toposheet (1:50,000 scale) is revised with clearly demarcated forest and non-forest area. DGPS coordinate points and readings have been annexed in the uploaded SOI toposheet map.	C-(iii)- No action has been taken to annex the DGPS/Total Station readings and to symbolize the DGPS/Total Station points in the map legend as E-communicated vide this observation dated 19.09.2020. Also, proper title of the project has not been annexed in the uploaded 1:50000 SOI toposheet. Further, some of the DGPS/Total station points do not fall exactly in the proposed forest land to be diverted in the uploaded 1:50000 SOI toposheet. Please rectify and upload a freshly prepared 1:50000 SOI toposheet map.	Rectify and revise the SOI and DGPS maps. Proper Title of the project has been incorporated in the SOI as well as DGPS map. All the DGPS/Total station points match exact on the forest land boundary.
2.	C-(iv)- The uploaded Layout map is not acceptable. Please	C-(iv) Revised Geo-referenced map of the proposed	C-(iv)- Some of the DGPS/Total station points in the uploaded	We have revised the map to the possible extent as per direction of the PCCF

Additional Information:			Reply	
1.	Two copies of NPV undertakings are uploaded where in one copy the area for use of forest land is mentioned as 4.4978 ha, whereas in the other copy the area for the same is mentioned as 4.608 hectare. Please withdraw the copy that mentions the wrong area for forest diversion.		One copy of NPV having area 4.4976 ha is replaced with the NPV having revised area 6.870 hectare PWRD Letter regarding change in area is also uploaded.	
2.	Please upload a letter of intimation from the competent authority to justify the change in area for use of forest land from 4.4976 hectare to 4.608 hectare. Also, please send the KML files for the existing and proposed route (including both forest and non-forest area) to addlpccf.nodal@gmail.com for further processing of the proposal.		PWRD Letter regarding justification for change of forest area has been uploaded and the revised KML file is also uploaded at Parivesh portal. The kml file of existing and proposed project road (forest and non-forest area) submitted to Addl. PCCF at the email ID: addlpccf.nodal@gmail.com for further necessary action.	

I request you to consider the forest proposal for early clearance.

Yours faithfully,
