Dated - 24.08.2020

To

The Tahasildar, Marshaghai

Sub: Diversion of forest land of Ac 4.600 dec. for execution of Mesa Piped Water Supply Scheme.

Identification of degraded revenue forest land for compensating afforestation purpose in lieu of the diversion.

Sir,

With reference to the subject cited above, I am to say that the following schedule of revenue degraded forest land has been identified for compensatory afforestation purpose in the village - Badapal against the land allotted for Mesa Piped water supply. The following schedule of land is free from encroachment and encumbrance. The proposal may be accepted after proper verification of forest department. On field verification, it is found that, the proposed land is fit for afforestation.

Though the kissam of land is River, physically there is no river or any other water flow over it.

Schedule of land

| <u>Mouza</u> | <u>Khata No</u> | <u>Plot No</u> | <u>Area</u> | <u>Kissam</u> |
|--------------|-----------------|----------------|--------------------------------|---------------|
| Badapal | 330 | 705/861 | Ac 4.600 out of Ac 18.74 | River |

The land plan and land schedule is enclosed herewith for favor of your kind information and necessary action

Encl:- As above

Yours Sincerely
