प्रस्ताव का नाम :- LAND FOR EXTENTION OF BHAMASHAH KRISHI MANDI SAMITI

यूजर एजेन्सी का नाम :- KRISHI UPAJ MANDI SAMITI (ANAJ), KOTA

प्रत्यावर्तित वन क्षेत्र :- 96.00 Hac.

प्रस्तावित जिला एवं वनमण्डल :- Kota District and kota Division

प्रस्ताव संख्या एवं पंजीकरण तिथि :- FP/RJ/Others/20036/2016 29.06.2016

1	The proposed diversion of forest land is for a non-site specific project. As per DSS analysis, it is noticed that non-forest land is available near the proposed forest land for diversion. A copy of the Map is enclosed for ready reference. Therefore, the State Govt. shall submit justification for not locating the project in non-forest areas and explore the available non-forest land for the project.	The proposed diversion of forest land is for a site specific project. Because the Krish Upaj Mandi yard is situated in the middle of the city and huge infrastructure and investment is already done by Govt. Of Rajasthan . The existing krishi upaj mandi yard i.e. Bhamasha mandi and proposed diversion land is surrounded by in North side indraprastha industrial area and other site proposed forest land also in East side there is a railway line , in south side just after the proposed side there is a National Highway no. 76 and in West there is a forest land there for it is a site specific project and no other alternative land is available other then this forest land.
2	In the recommendations of the Nodal Officer and the State Government, it has been mentioned that the proposal may be accepted for approval subject to the condition that the Hon'ble Supreme Court has given direction in the FCA proposal Development of NH 76 East West Corridor in Kota District (Final sanctioned on 6.7.2007) to maintain green belt on both the sides of the Kota bypass up to 1 km. In this regard an unconditional recommendation is required from the State Government.	That as per report of to different time posted DFO has already sent the report that the land is not sutiable for plantation in any manners because the surface soil contents is 0, and the land is fully rocky area and also near population there for in these conditions plantation can not be possible but just after few meters the forest land is available for plantation .as per recommendation of both DFO the proposed land is recommended for proposed diversion
3	The State Government shall clarify as to how the Govt. of India can relax the condition imposed by the Hon'ble Court order dated 08.12.2006. The clarification along with the certified copies of the CEC recommendation dated 30.11.2006, Hon'ble Supreme Court Order dated 08.12.2006 and all other relevant details pertaining to the project shall be furnished.	That as per report of to different time posted DFO has already sent the report that the land is not sutiable for plantation in any manners because the surface soil contents is 0, and the land is fully rocky area and also near population there for in these conditions plantation can not be possible but just after few meters the forest land is available for plantation .as per recommendation of both DFO the proposed land is recommended for proposed diversion
4	The detail of existing area of Krishi Upaj Mandi along with legal status of the said 8-18/2023-FC I/46193/2023 land is not available which shall be furnished.	The existing Krishi upaj mandi yard i.e. Bhamasha Mandi was allotted by RIICO in indraprastha industrial area kota which was allotted to riico by collector Kota in long back and in due process of law the land was firstly allotted by distt. Collector to Riico and there after the krishi upaj mandi Samiti , Kota purchased this land from RIICO .
5	The State Govt. shall provide a NOC from National Highway Authority of India (NHAI) for the area of NHAI proposed to be utilized in the instant proposal.	NOC issued to krishi upaj mandi samiti , Kota is attached. Krishi Upaj mandi Samiti Kota is under take to work as per norms of existing law.
6	The State Government shall clarify as to why the conditions stipulated in FC approval letter No.8-13/2006-FC dated 06.07.2007 have not been complied even after completion of more than 15 years. It shall also confirm whether any request for modification in stipulated conditions in the approval dated 06.07.2007 was made earlier to Central Govt., if so, the details in this regard shall be provided. If not, then the justification for informing at this belated stage that the land	The existing Krishi upaj mandi yard i.e. Bhamasha Mandi was allotted by RIICO in indraprastha industrial area kota which was allotted to riico by collector Kota in long back and in due process of law the land was firstly allotted by distt. Collector to Riico and there after the krishi upaj mandi Samiti , Kota purchased this land from RIICO .

	is not suitable for plantation/green belt development shall be submitted. The person/official responsible for not complying with the direction of Hon'ble Court shall also be furnished	
7	As per the DSS analysis and the examination of the KML file, the proposed CA land is overlapping with the CA land of approved project i.e. Navnera Barrage (FP/RJ/IRRIG/35905/2018). Therefore, the correct KML of CA land shall be uploaded on PARIVESH for examination and analysis.	New CA Land allotted by district collector Kota by latter no 2173 on dated 22.8.2024 as per new DGPS Map, KML File, GT sheet Uploaded.
8	The KML file of the DFL proposed for accommodating the balance seedlings has not been uploaded on PARIVESH. The same needs to be uploaded for further examination	uploaded
9	Violation has been reported over an area of 24.06 ha, however the detailed Action Taken Report and the present status of same has not been provided, which shall be submitted. It has been mentioned that an FIR was lodged in the year 1996 but no action appears to have been taken further by the State Govt. The reasons/justification for the same shall be submitted. The official responsible for violation and action taken against them shall also be furnished	That Due to the existing Krishi upaj mandi yard i.e. Bhamasha Mandi was allotted by RIICO in indraprastha industrial area kota which was allotted to riico by collector Kota in long back and in due process of law the land was firstly allotted by distt. Collector to Riico and there after the krishi upaj mandi Samiti , Kota purchased this land from RIICO .
10	As per the available KML file, the area under violation is 27 ha whereas the State Government has reported the same as 24.06 ha. The same shall be verified and factual position be submitted.	As per revenue map the total area under violation 24.06 ha. which is available on revenue record and verified by the forest surveyour and concern halka patwari of revenue department moka report enclosed. According this KML File replace to uploaded file
11	As per DSS analysis, the Umdeganj Bird sanctuary is located at a distance of 2.96 Km from the proposed forest land for diversion. The Status of ESZ and comments of CWLW in this regard shall be furnished.	NOC issued to krishi upaj mandi samiti , Kota is attached. Krishi Upaj mandi Samiti Kota is under take to work as per norms of existing law.
12	As per DSS analysis (copy enclosed), certain anomalies have been observed in component wise detail given in the proposal and the area as per the KML file. Therefore, the correct KML file as per proposed component wise utilization of forest land shall be uploaded on PARIVESH.	Corrected KML File is uploaded on parivesh site
13	Satellite imagery shows the presence of built-up area, mined out area etc. within the proposed forest land for diversion. This needs clarification.	No mining activities was done by krishi upaj mandi samiti as the area is fully rocky there for theft of stone by local people in easy way the construction area is existing only on the land which was purchased from RIICO
14	As per DSS analysis, a Nallah is flowing through middle of the proposed forest land for diversion. Further, no protection measures for the Nallah have been suggested in the proposal. Therefore, comments of the Water Resource 8-18/2023-FC I/46193/2023 Department of the State on the efficacy of water discharge needs submission.	NOC issued to krishi upaj mandi samiti , Kota is attached. Krishi Upaj mandi Samiti Kota is under take to work as per norms of existing law. Map enclosed. Undertaking by Krishi Upaj Mandi Samiti, Kota is enclosed.
15	A transmission line is passing through the land proposed for diversion. Therefore, a copy of approval under the FCA, 1980 for the said transmission line along	NOC issued to krishi upaj mandi samiti , Kota is attached. Krishi Upaj mandi Samiti Kota is under take to work as per norms of existing law. Map enclosed
