

Justification letter for Construction of Over Head Water Tank Under Forest Land

Project Name: Rajghat Multi Village Scheme, Dist.- Guna

Project Cost: INR 691.65 Crores.

Area Served: 755 Villages of Guna District and Tapping at Aaron and Kumbhraj Urban under Madhya Pradesh.

Project Scope: Rajghat multi village scheme project was sanctioned under Jal Jeevan Mission to provide water to all households of villages of Ashok Nagar district. The implementing agency for the project is MP Jal Nigam Limited. After successful completion of the Rajghat Multi Village Scheme, approx 7 lacs population of 755 villages of block- Aaron, Guna, Raghogarh & Chachaura of District- Guna will receive potable drinking in their homes through a functional tap. The project scope is as follows:-

S.No	Description	UOM	Guna
4	Clear Water Pumping/Gravity Main (DI Pipe Line)	Km	1268
5	Master Balancing Reservoir (MBR)	Nos	5
6	Intermediate Boosting Pumping Station (IBPS)	Nos	3
7	Over Head Tanks	Nos	308
8	Distribution Pipe Line	KM	2117
9	House Service Connection	Nos	122997

The project scope consists of construction of Over Head Tanks and Master Balancing Reservoirs at various locations across Guna district to provide water to the village habitations. These tanks would be connected with pipelines to transfer and distribute the potable water. After topographical survey of pipeline alignment of the entire Guna district piping routes, it is found that the location of some overhead tank and master balancing reservoir are falling under forest area. As per design requirements and topographical compulsions these assets are to be constructed on these locations, situated in forest area.

Considering the above fact, it is found justified to construct the Over Head Tanks & Master Balancing Reservoirs under forest land given in attached annexure.

OHT Details- Guna District
