

No. SE-IPHK-WS-WA-V-NOC/2018-  
Government of Himachal Pradesh  
IPH Department

8965-69

Dated Kullu the 5th Sept 2018.

To

The Executive Engineer,  
IPH Division, No.I Kullu.

Sub: - Regarding issuance of NOC on Pharari Nallah for Pharari Power (2.00 MW) in District Kullu-HP.

As per recommendation vide your office letter No. IPH-IDK-WA-NOC/2018-6035-36 dated 18.07.2018. The NOC has been issued in favour of **M/S Pharari Power Private Ltd. village Bhulang Post Office Fozal Tehsil & District Kullu-HP** on the following terms and conditions:-

1. The firm shall enter into legal agreement with I&PH Department in this respect.
2. That the Chief Engineer (MZ), I&PH Department, Mandi shall be the sole adjudicator of any dispute arising during construction as well as subsequently and his decision shall be binding on all the parties.
3. In case, there is any scarcity of water due to drought or any other reason, the requirement of the IPH Department shall have precedence over the requirement of this Project.
4. The firm shall ensure that the quantum of minimum flow of water to be released and maintained throughout the year immediately downstream of the diversion-site is a threshold value of not less than 15% of the minimum in flow observed in the lean-season to the main river water-body whose water is being harnessed by this project. The firm shall also ensure adequate minimum environment flow in the river below the diversion-site to take care of aquatic life and ecology of the area. The firm shall also release present requirement of 596 lps flow for the existing IPH schemes.
5. The firm shall rehabilitate / repair/ compensate for the I&PH assets / water resource as well as Private Kuhls/ Irrigation schemes / Water Supply Schemes in case these are damaged or adversely affected due to construction of the Project. During restoration period the arrangement for providing water to the beneficiaries shall be made through tankers and other alternative possible arrangement by the firm.
6. Additional water required of the department in future in addition to the project demand will get priority over the requirements of the firm.
7. In addition to I&PH Department requirement, the firm will also satisfy the requirement of private users, if any.
8. That the department will have liberty to draw water from **Pharari Nallah** (upstream and downstream) for construction of any irrigation and water supply schemes as and when required

"Save Water Save Life on Earth"

- in future and if any schemes, sources of water at up and down stream of the HEP get affected, the executing agency will have to deposit the original cost of schemes including its remodeling and restoration, augmentation cost, as the case may be with the department in advance so as to make these facilities available to affected area for which the company will have no objection.
9. The present and future quantity of water for proposed WSS will be tapped by the department from **Pharari Nallah** upstream and downstream of the intake of the HEP and the department will have precedence over the requirement of the proposed project.
  10. The proposed project fall in Pharari Nallah between RL 1875 diversion point & 1634 on Power House site. The existing gravity WSS Dobhi Shim on the Head work of the Pharari nallah power Project with water requirement of 20 LPS and there is no nay habitation and cultivated land.
  11. Company in rural area applying to the Department will not be granted water from our existing schemes unless the scheme has sufficient water and the Gram Sabha of concerned Gram Panchyat pass resolutions approving the same.
  12. Permission to make alternative arrangements will be given subject to the condition that the arrangement will not affected adversely or impact in existing water supply source being used by IPH Department and will be located at a sufficient distance from an existing ground water source and downstream of any existing surface water source. It will also require approval from concerned Gram Panchayats.
  13. In the event of violation of the aforesaid terms and conditions of the NOC by the firm, the NOC shall be treated as cancelled.

The above NOC is issued and ensure that there is no scheme affected anywhere up steam/ downstream of the head weirs and tail race of said SHEP.
