

JOINT INSPECTION REPORT

We have jointly inspected the areas earmarked by M/s Pharari Power Pvt. Ltd. for setting up 2.00 MW. S.H.E.P. on paradi nala near village & p.o. Fozal -175129, Teh. & Distt. Kullu, H.P. on Dt.06.09.2018. The project requires total Forest Land **0-59-59** Hect. & private land 0-01-95 Hect. for the project components viz. Intake Trench weir , Desilting , Water conductor system , forbay, penstock, span, powerhouse and underground transmission line etc.

The inspection team has examined all alternatives with a view to avoid / minimize the use of Forest land and had come to a conclusion that the land mentioned in Khasra nos. are absolutely essential . There is no other alternate land available in the vicinity which can be used for the purpose . The proposed Forest land for diversion is not effected by any public utility , public bourn (spring), cremation or burial ground etc. The proposed Forest land contains trees, the enumerated list of trees is being enclosed separately in the proposed folder. Therefore the above land is recommended for the purpose of construction of Pharari Power Project 2 MW.

PROJECT COMPONENTS
