

**Name of the Project :-** Diversion of 1.8686 hec. Forest land for Construction of Polytechnic College Dalash

**Proposal No :-** FP/HP/other/147489/2021

**Date of Proposal :-**08/1/2021

## **Undertaking**

It is certified that during the construction of Polytechnic college the affect of land sliding and soil erosion will be mitigate by providing necessary protection work i.e. Check wall. Check dam, wire crate work and cutting work will be done in scientific manners. The plantation various of grass, beads and bushes also be done in the soil erosion portion in scientific manner which helps to counter the land sliding /soil erosion effect in the affected area with the help and direction of expert team of forest department. The provision of the same will be taken in the detailed estimate.
