Sub: Notification Regarding Transfer of land to PWD

Respected Madam,

Please refer online application number FP/UK/OFC/4159/2019 for permission of laying Optical FiberCable from Landour- Kith & Dhanauli -Manglauri .

We have submitted the file for online processing and subsequent approval.

We would like to state that the Nodal Office Forest Department Uttarakhand has made it mandatory to attach notification of land transferred to PWD/NHAI/BRO after 1980, for granting IN PRINCIPLE approval for all such projects where existing ROW is used.

We also propose to lay our OFC within existing ROW of above mentioned roads.

It is therefore requested to attach the notification of land transferred to PWD to construct the above mentioned road. If the above mentioned road has been transferred to PWD before 1980 then a letter stating the same would be required.

Copy of Primary Permission by PWD to Reliance Jio attached for your ready reference.

Regards

Deepak
