Subject: Development of Tele-communication Network by laying of Optical Fiber Cable in district Kishtwar (Bhandarkot-Qaderma) to provide seamless 4G connectivity

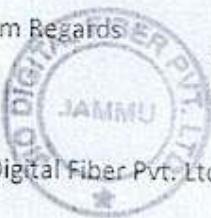

Dear Sir,

1. We would like to inform you that JIO Digital Fibre Private Limited, (Formerly, Infotel Broadband Services Ltd.) having its registered Head office at 3rd Floor, Maker Chambers IV, 222, Nariman Point, Mumbai – 400021. Infotel Broadband Services Ltd and our State Office at Second Floor Veer Tower Deeli Extension Trikuta Nagar Marble Market Jammu – 180012 (J&K) (now, JIO Digital Fibre Private Limited) is registered with Department of Telecommunications (DOT) is an Infrastructure Provider category I (IP-I) vide registration certificate no.: 370/2011 dated 23rd June 2011 to establish and maintain the assets such as Dark Fibre's, Right of way, Duct and Optical fibre cable network infrastructure and lease out dark optical fibre/duct space to any telecom service provider in India.
2. Jio Digital Fiber Pvt Ltd. Is developing its own fiber network to connect towers for installation, implementation and augmentation of network in deep forest areas and thus require to lay fiber on Patimhall-Qaderna road which passes through forest area thus requiring forest land for development of telecommunication network.
3. Therefore, its requested to issue Forest rights Act (FRA) certificate for use of forest land falling under the alignment of proposed fiber path (Bhandarkot-Qaderna).

An early action in this regard will be highly appreciated.

Thanking you in anticipation

Warm Regards

Jio Digital Fiber Pvt. Ltd.
