Sub: Diversion of 0.148 ha Reserved Forest in favour of Hirschvogel Components India Pvt. Ltd., Ranjangaon, Pune for laying underground 22 KV, 400 mm H.T. Cable Electric line for supply of electricity from Village Koregaon Bhima to Sanaswadi in Tal. Shirur, District Pune in the State of Maharashtra - Regarding.

Sir,

The undersigned is directed to refer to State Government vide its letter No. FLD-1918/C.R.265/F-10 dated 27.11.2018 and APCCF & Nodal Officer (FCA), Maharashtra letter No. Desk-17/NC/II/ID 12609/(17)/1151/2018-19 dated 04.09.2018 on the above subject seeking prior approval of the Central Government under Section-2 of the Forest (Conservation) Act, 1980 and to say that the said proposal has been examined by the Regional Office (WCZ) in light of relevant provisions of the Forest (Conservation) Act, 1980 and Guidelines issued thereunder.

After careful examination of the proposal of the State Government and on the basis of the recommendation of the Addl. PCCF & Nodal Officer (FCA), Government of Maharashtra, the Central Government hereby accords 'in-principle' under Section - 2 of the Forest (Conservation) Act, 1980 for diversion of 0.148 ha Reserved Forest in favour of Hirschvogel Components India Pvt. Ltd., Ranjangaon, Pune for laying underground 22 KV, 400 mm H.T. Cable Electric line for supply of electricity from Village Koregaon Bhima to Sanaswadi in Tal. Shirur, District Pune in the State of Maharashtra subject to the fulfilment of the following conditions:

- (i) Legal status of the diverted forest land shall remain unchanged;
- (ii) The State Forest Department shall undertake plantation of 10 times number of trees to be felled over degraded forest land as compensatory afforestation, in lieu of forest land being diverted at the cost of the User Agency;
- (iii) The User Agency shall transfer the cost of raising and maintaining the compensatory afforestation, at the current wage rate, to the State Forest Department. The scheme may include appropriate provision for anticipated cost increase for works scheduled for subsequent years;

- (iv) The State Government shall charge the Net Present Value (NPV) of the forest land being diverted under this proposal from the User Agency as per the orders of the Hon'ble Supreme Court of India dated 28.03.2008, 24.04.2008 and 09.05.2008 in Writ Petition (Civil) No. 202/1995 and the guidelines issued by this Ministry vide its letter No. 5-3/2007-FC dated 05.02.2009 in this regard;
- (v) At the time of payment of the Net Present Value (NPV) at the then prevailing rate, the User Agency shall furnish an undertaking to pay the additional amount of NPV, if so determined, as per the final decision of the Hon'ble Supreme Court of India;
- (vi) All the funds received from the user agency under the project, except the funds realized for regeneration/ demarcation of safety zone, shall be transferred to CAMPA in the Savings Bank Account pertaining to the State concerned;
- (vii) The User Agency shall obtain the Environment Clearance as per the provisions of the Environmental (Protection) Act, 1986, if required;
- (viii) The boundary of the diverted forest land, shall be demarcated on ground at the project cost, by erecting four feet high reinforced cement concrete pillars, each inscribed with its serial number, forward and back bearing and distance from pillar to pillar;
- (ix) The User agency, if required, will undertake comprehensive soil conservation measures at the project cost in consultation with the State Forest Department. A scheme of the same shall be submitted along with Stage-I compliance report;
- (x) No labour camp shall be established on the forest land;
- (xi) The User Agency shall provide fuels preferably alternate fuels to the labourers and the staff working at the site so as to avoid any damage and pressure on the nearby forest areas;
- (xii) Stacking of dug out soil shall be undertaken within the RoW proposed and under no circumstances, forest land other than being sought for diversion, shall be used for stacking of soil;
- (xiii) The cable electric line will be laid well below the ground level as per norms all along its length through forest;
- (xiv) The forest land shall not be used for any purpose other than that specified in the proposal;
- (xv) The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
- (xvi) The forest land proposed to be diverted shall under no circumstances be transferred to any other agency, department or person without prior approval of the Central Government;
- (xvii) No damage to the flora and fauna of the adjoining area shall be caused;
- (xviii) KML files of area proposed for diversion is uploaded on website. Soft copies of KML/ Shape files of area proposed for diversion is not submitted along with the proposal. The same shall be submitted along with Stage- I compliance report;
- (xix) Details of facts as contained in the Part- II of the proposal viz. Topography of the area, Geology and Slope to erosion are not mentioned. Further, approximate distance of the proposed site for diversion from boundary of forest is also not mentioned in Part- II submitted by Deputy Conservator of Forests, Junnar. Therefore, revised Part-

II in original including all the above mentioned information shall be submitted by the DCF concerned along with Stage- I compliance report;

- (xx) Hard copy of Part- II submitted by Deputy Conservator of Forests, Junnar has been wrongly uploaded in the web-portal. Correct Part- II shall be uploaded on the website by the State Government and the same may be intimated to the Regional Office along with Stage- I compliance report;
- (xxi) Discrepancy is observed in the details of employment potential likely to be generated from implementation of the project in online Part- I application and hard copy submitted by the User Agency. In online application it is mentioned that employment for 370 persons on permanent basis and 100 man days on temporary basis will be generated from the project. Whereas, in Part- I submitted along with the proposal it is mentioned that employment for 877 man days during construction will be generated from the project. Therefore, correct details on employment potential likely to be generated in terms of Skilled, Semi-skilled and Unskilled persons/ man days by implementation of the project may be submitted by the User Agency along with Stage- I compliance;
- (xxii) Any tree felling shall be done only when it is unavoidable and that too under strict supervision of the State Forest Department;
- (xxiii) The State Government shall ensure that settlement of rights, in terms of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006, if any, have been completed in accordance with the relevant guidelines issued by the MoEF&CC in this regard. Original certificate along with documentary evidences in the form of copies of the resolutions of the concerned Forest Rights Committee(s), Gram Sabha(s), Sub-Division Level Committee(s) recording their consent for the proposal and bearing signature of the participants shall be submitted along with along with Stage- I compliance report;
- (xxiv) The User Agency in consultation with the State Government shall create and maintain alternate habitat/home for the avifauna, whose nesting trees are to be cleared in this project. Bird's nests artificially made out of eco-friendly material shall be used in the area, including forest area and human settlements, adjoining the forest area being diverted for the project;
- (xxv) The User Agency shall submit six monthly self-compliance reports as on 1st January and 1st July of every year to this office as well as to the Nodal Officer of the State;
- (xxvi) The State Government shall monitor compliance of conditions of Forest Clearance and shall submit in this regard yearly report as on 31st December of every year;
- (xxvii) Any other condition that the concerned Regional Office of this Ministry may stipulate, from time to time, in the interest of conservation, protection and development of forests & wildlife;
- (xxviii) The User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations, Guidelines and Court/ Tribunal directions for the time being in force, as applicable to the project; and
- (xxix) The State Government, if so desire, may consider the proposal for grant of working permission in accordance with the provisions as contained in the MoEF&CC's Guidelines dated 28.08.2015. However, working permission, if considered by the State Government should be accorded only after ensuring complete compliance of

Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006.

After receipt of a report on the compliance of conditions no (iii), (iv), (vi), (xviii), (xix), (xx), (xxi), (xxiii) and undertakings, duly authenticated by the competent authority in the State Government, in respect of all other conditions, from the State Government, formal approval will be considered in this regard under Section-2 of the Forest (Conservation) Act, 1980. The transfer of forest land to the User Agency shall not be affected by the State Government till formal order approving the diversion of forest land is issued by the Central Government.

This issues with the approval of the competent authority.

Yours faithfully,

(Dr. E Arockia Lenin)
