Construction of 7.7 Km 11 kV UG cable from Thazhethottam to Achenkovil for providing un interrupted power supply to Achenkovil area.

Achenkovil is an area situated under Aryankavu Grama panchayath (Ayankavu Village) in Kollam District and is fully surrounded by forest area. For providing uninterrupted power supply to this area, 7.7 km 11 kV UG cable laying is to be done from Thazhethottom to Achenkovil through the forest land that requires a linear diversion of 0.35 Ha. There is no other way to provide reliable supply to this area. Hence the estimate is taken through the forest land.
