(CHECK LIST SERIAL NUMBER-09)

00-04-00 ha. of forest land is required for Construction of A.E Office Cum Residence at IPH Sub-Division Taklech in GP Taklech. The total area proposed for construction of the said building comprises forest land only. The A.E Office Cum Residence building is being constructed to house the newly created IPH Sub-Division at Taklech. For the construction of this building 00-04-00 hac. of forest land is required to be diverted.

Two possible alignments/sites were technically feasible were explored. In alignment/site-I, 0-04-00 Ha. of forest/govt. land is involved and no trees will require removal. In alignment/site-II, 0-05-00 Ha. of forest/govt. land is involved and 3 trees will require removal. Since alignment -I involve less forest land and no felling of trees and there are Govt./forest land interspersed in all the alignments, there is no scope for avoidance of Govt./forest land and diversion of 0-04-00 Ha. of Govt./forest is bare minimum and cannot be escaped.
