

**Justification for locating the project in forest area**

VENA Energy Shivalik Wind Power Private Limited has planned to erection of 33 KV S/C Machiyala PSS (M/s VENA Energy Shivalik Wind Power Pvt Ltd) - WTG Various Locations line Tal. Amreli & Babra Dist. Amreli on D/C Panther M type tower with AL-59 Eco Panther Conductor.

The said line is proposed to provide electrical power to newly proposed (M/s VENA Energy Shivalik Wind Power Pvt Ltd) Wind Power Generation Unit for evacuation of 31.8 MW wind power generation at village Machiyala & Surrounding Village Area, Dist. Amreli on D/C Panther tower with S/C AL-59 ECO Panther Conductor.

There is no alternative route for erection of 33 KV S/C Machiyala PSS (M/s VENA Energy Shivalik Wind Power Pvt Ltd) - WTG Various Locations line Tal. Amreli & Babra Dist. Amreli on D/C Panther tower with S/C ACSR Panther Conductor except to crossing of SH - 25 Rajkot – Bhavnagar Road as shown in Drawing. The said route is finalized by utilizing maximum of government west land as far as possible to avoid any objection by farmers.

Erection of 33 KV S/C Machiyala PSS (M/s VENA Energy Shivalik Wind Power Pvt Ltd) - WTG Various Locations line ultimately benefited to public nearby village Machiyala & Surrounding Village Area Dist. Amreli. Electricity play vital role in development of that area.

Date: 9<sup>th</sup> Oct-2020.

Place: Amreli

A handwritten signature in blue ink is written over a horizontal line. To the right of the signature is a circular blue ink stamp. The stamp contains the text "Vena Energy Shivalik Wind Power Pvt Ltd" around the perimeter and a star in the center.
