Certificate of Approval of Catchment Area Treatment Plan of Turi-Guntat Barrage Project

To Whom It May Concern

This is to certify that Turi-Guntat Barrage Project in Nawarangpur District, Odisha with a proposed Command Area of 9135 Ha. is approved by CWC vide Letter No. 228 dtd. 03.04.2012 to submit the statutory clearances such as Environment and Forest.

The Dam Project has a free catchment of 612 Sq. Km and preparation of the Catchment Area Treatment Plan is under process. This will be finalized in due course of time in consultation with the Forest Department. The same will be furnished as and when completed.

The Catchment Area Treatment would be carried out under the direction of the State Forest Department. The expenditure towards Catchment Area Treatment Program would be met by the Water Resources Department. Approximately 2% of the project cost is earmarked for the Catchment Area Treatment.

Chief Engineer (P.F. & I)
