AND DETAILS OF ALTERNATIVES EXAMINED

The WSIS to Usilampatti Municipality in Madurai District is under investigation for providing Water supply (135 lpcd) to Usilampatti Municipality. In this scheme source has been fixed in river Vaigai nearer to Vaigai dam in Aundipatti Taluk in Theni district. For laying of pipeline to carry water from Vaigai dam to Usilampatti Municipality, the only possible alignment of pipeline is through Andipatti Kanavai(Along NH 85).
