

Justification of Diversion of the Forest Land for the work NH 744-Annual plan 2015-16 Reconstruction of Kazhuthurutti Bridge at Km 69/950

NH 744 is an Inter State Highway connecting Kerala and Tamilnadu. The proposed Bridge area is near Aryankavu. There are two bridges in the proposed bridge location. One is steel bridge and the other is RCC. The RCC Bridge is fully damaged and in dangerous condition. Hence this new proposal submitted. This is the matter for diversion of Forestland
