Sub: Approved Mining Plan for Proposed Six Development Locations (KSDE, KSDI, KSDJ, KSDK, KSDL, KSDM) from new Cluster in Kasomarigaon field

Oil and Natural Gas Corporation Limited, Jorhat Asset is planning to drill Six development locations in Kasomarigaon area of Golaghat District. The said land falls under Kasomarigaon ML and total granted ML area is 20 square Kilometers. These Six proposed locations are planned to be drilled from the new cluster of Kasomarigaon field.

Each of the six locations (KSDE, KSDI, KSDJ, KSDK, KSDL & KSDM) is expected to contribute oil and gas on an average rate of 10 tons per day and 2,000m³/day. The envisaged Mining Plan for the locations is as below:

YEAR	Oil (tons/annum)	Gas (1000m ³ /annum)
2023-24	3650	730
2024-25	3285	657
2025-26	6607	1321
2026-27	5946	1189
2027-28	9001	1800
2028-29	8101	1620
2029-30	10941	2188
2030-31	17147	3429
2031-32	15432	3086
2032-33	13889	2778
2033-34	12500	2500
Total, tons/MMm³	106499	21.3
