

**JUSTIFICATION FOR BIRATOLI & TORI FOR RAIL FLYOVER AT TORI AND BIRATOLI
TO MAHUAMILAN PROJECT**

The new BG line between Biratoli & Tori for rail flyover at Tori and Biratoli to Mahuamilan is to be undertaken on the new alignment; protected forest land is required for the new alignment.. The total protected forest land proposed for diversion in Latehar is only 2.537 ha.

The acquisition of Raiyti and GM land is in progress by the State Govt and the construction work is expected to be started shortly.

Hence it is urgent to go for clearance of said forest land through due process.
